26 June 1974

MEMORANDUM FOR THE RECORD

SUBJECT: Proposed Reissuance of [REDACTED]

STATINTL

1. On 20 June 1974, the Director of Security at our initiation requested that [REDACTED] be reissued as a non-expiring notice.

STATINTL

2. On 25 June 1974, the Chief, Regulations Control Staff contacted me telephonically to point out that [REDACTED] had been rescinded by [REDACTED] dated 11 September 1973.

STATINTL

3. In addition, the Chief, Regulations Control Staff raised certain question as to whether an individual could or should be charged with a security violation for failing to secure an IBM Tech III ribbon if it did not in fact contain classified material.

4. Research into the PPB files and subsequent conversation with the Chief, Regulations Control Staff reflected that [REDACTED] was an amendment of [REDACTED]

STATINTL

STATINTL

TATINTL

[REDACTED] further, this subsequent notice [REDACTED] was issued by Regulations Control Staff without any coordination at the direction of the former Associate Deputy Director for Management and Services.

STATINTL

5. In addition to the question of a security violation charge raised by Chief, Regulations Control Staff, before proceeding on this matter further we might reconsider whether
